Data Visualization (TC6) Tableau Project

Stock Market Analysis

Completed by: Gurvinder Kaur Matharu (20190802077) Ashwin Jawalikar (20190802140)

Introduction

★ Stock analysis is a method for investors and traders to make buying and selling decisions.

★ Data Preprocessing was done using Python.

★ Data visualization was done using Tableau.

Dataset

- ★ The dataset was collected from Kaggle (<a href="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-data?select="https://www.kaggle.com/datasets/rohanrao/nifty50-stock-market-datasets/rohanrao/nifty50-stock-market-datasets/rohanra
- ★ The stocks data for the following companies were selected:
 - BRITANNIA
 - HDFC BANK
 - o SBI
 - o TITAN,
 - TATA MOTORS

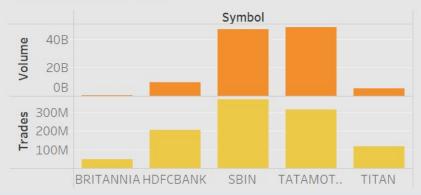

Project Simulation

STOCK MARKET DATA ANALYSIS

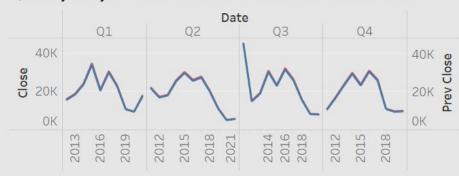

High, Last, Open and Close values for: TITAN

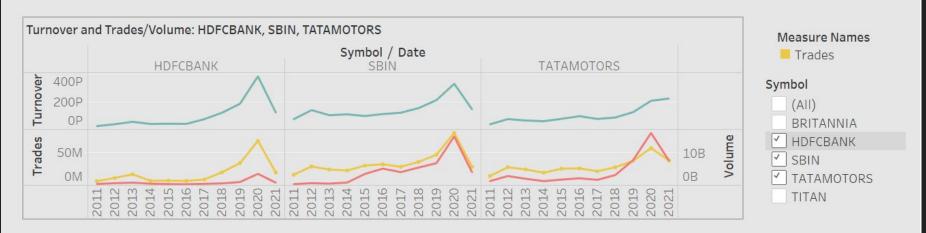

Close and Volume for Stocks

Quaterly Analysis between Close & PrevClose for: TATAMOTORS

STOCK MARKET DATA ANALYSIS

THANK YOU!!
